Safety & Security Center: Account Verification

Dear AOL Member:

Your account was recently used to send bulk spam emails containing viruses.

Your account access has been suspended to protect the safety and security of you and the other members.

In order to resume services to your account you must verify the information that is on record. This step is to ensure that the person that is currently accessing your account is a authorized user.

Thank You,

Computer Action Team

1. Questionable Sender's Address

eBay sent this message to you as a registered member.
Your registered email address is @hotmail.com. This message originated from eBay.
[Learn more.](#)

2. Sense of Urgency

Hurry! Message for @hotmail.com. Update Now!

Dear @hotmail.com,

We are contacting you to remind you that on 10 OCT 2006 we identified some unusual activity in your account coming from a foreign IP address: 201.8.43.167 (IP address located in China). We have been notified that a card associated with your account has been reported as lost or stolen and involved in fraudulent transactions, or that there were additional problems with your card.

3. Non-US Dating Format

According to our site policy you will have to confirm that you are the real owner of the eBay account by completing the following form or else your account will be marked as fraudulent , and will remain open for investigation. You will pay for the fees wich will result from the financial transactions between eBay and FIT (Fraud Investigations Team).

4. Threat!

Your computer is locked!

Stop Online Piracy Automatic Protection System

If you see a warning.txt or warning screen, it means your IP address was included in S.O.P.A. Black List.

One or more of the following items were made from your PC:

1. Downloading or distributing audio or video files protected by Copyright Law.
2. Downloading or distributing illegal content (child porn, phishing software, etc.)
3. Downloading or distributing Software protected by Copyright Law.

As a result of these infringements based on Stop Online Piracy Act (H.R. 3261) you PC and files are now blocked. You can remove your IP from black list and unlock PC and files by paying a fine of 200 (USA and Canada) / 200EUR (other Country)

WARNING!!!: If you don't pay the fine within 72 HOURS at the amount of 200.00 USD, all your computer data will be erased.

If you have any questions please contact us unlock@sopasystem.com

We accept Moneypak, Ucash or PaySafeCard prepaid vouchers.
Visit for information:

<http://www.moneypak.com>
<http://www.ukash.com/global/en/home.aspx>
<http://www.paysafecard.com>

Your identification number:

Your IP address:

STEP 1: Buy a prepaid voucher for the amount of \$200 (USA and Canada) / 200EUR (other Country) at the nearest store.

STEP 2: Enter your prepaid voucher number and your email address in the fields below then click PAY and you will be prompted to enter the unlock code. OR Send an e-mail at UNLOCK@SOPASYSTEM.COM. Indicate your ID in the message title and provide prepaid voucher number.

STEP 3: Check your e-mail. In 24 hours we will send your Unlock code once payment is verified. Then enter your unlock code that you received by email from us and click UNLOCK. Your computer will roll back to the ordinary state.

Q: How can I make sure that you can really decipher my files?

A: You can send one ciphered file on email UNLOCK@SOPASYSTEM.COM (Indicate your ID and IP address in the message title), in the response message you receive the deciphered file.

Q: What if I don't have possibility to purchase prepaid voucher?

A: You can send money in amount of 200EUR by WesternUnion as alternative option.
